Shawnee Mission K-12 Attendance Policy

Elementary attendance will be monitored from 8:10 until 3:10. Students are expected to attend school daily and arrive on time.

- Students will be counted tardy AM if they arrive between 8:10 and 8:45
- Students will be counted tardy PM if they leave between 2:15 and 3:10
- At the elementary school level, **10 tardies will be counted as 1 unexcused absence**. Excessive tardies will be combined with other unexcused absences for truancy purposes.
- If a student arrives late or leaves early for up to 3 hours, or is gone for 3 hours during the day for an appointment, it will be counted as a ½ day excused absence.

Reporting and Recording Absences

- Parents or legal guardians are expected to call the building's attendance line, 913-993-4988, to report daily absences, late arrivals, or early dismissals. If a call is not received, school personnel will attempt to contact the parent. If no contact is made, the absence will be counted as unexcused.
- Absences by parent request for family and personal reasons are acceptable provided arrangements are made through the building principal in advance of the absence. These absences will count towards total absences. Students are responsible to complete all make-up work.
- When a student has reached **7 absences** during the school year, the parents will be sent a reminder letter. After **10 absences**, documentation will be required for all future absences. It is required for each subsequent absence/tardy for illness and appointments the student bring a doctor's note documenting the reason for the absence.

- An **unexcused absence** is one that has been classified as such by the building administration. An absence will be classified as unexcused if the parent or legal guardian does not follow the building attendance procedure.

Social Work Services

School social work services are available in all Shawnee Mission School District elementary schools. School social workers provide an array of services including class-based instruction. A child may also be referred for social work services by his/her parent(s)/guardian(s), principal, classroom teacher, or any other school staff. The social worker assigned to your child's school is licensed to practice social work in the State of Kansas. The elementary social worker is responsible for the following services:

- ☑ Providing short-term individual and group counseling and support to students. This may include instruction for an entire classroom in which generic issues of social development are addressed (e.g. bullying, conflict resolution etc.) It may also include more structured individual or small group counseling that focuses on specific concerns of the participant(s) (e.g. friendship skills, anger, divorce etc.)
- ☑ Providing support to classroom teachers. This may include assistance with the development of a behavior plan.
- ☑ Responding to crisis situations.
- ☑ Implementing appropriate programs, groups and initiatives to target at-risk populations.
- ☑ Coordinating and facilitating appropriate community services to students and their families.

Participation in structured short-term individual or group counseling shall only be by written parent/guardian consent.

Telephone Usage by Students

School telephones may be used by students with the approval of a teacher or the office staff, but we request that they not be used to make after school social arrangements. Students are discouraged from calling home to ask parents to bring them materials they have forgotten. Students are encouraged to learn the responsibility of coming to school prepared for the day.

It is essential for the office to have current telephone numbers so parents can be notified in the event of an emergency.

Please notify the school office if any telephone numbers change: home, work, or emergency.

Also, please update any address changes.

POSSESSION AND USE OF CELL PHONES OR OTHER ELECTRONIC DEVICES

All cell phones should be turned off and kept in backpacks.

Board Policy JICJ

Students may possess a cell phone or any other electronic device while on school property or while attending a school-sponsored activity, but are prohibited from using electronic devices during the school day as defined by the building administration. Violations of this policy will be handled by appropriate school personnel and may include losing the privilege of bringing a cell phone or other electronic device to school.

The school district will not be responsible for lost, damaged, or stolen electronic devices.

Birthdays

Beginning with the 2019 – 2020 school year, birthday treats will no longer be allowed at Rushton.

Gifts, flowers, balloons, and other assorted items should not be brought to school for the students. **Those items cannot be taken to the classroom.** Those items will be left in the office until the end of the day.

Birthday invitations cannot be distributed in the classroom.

Animals in the Classroom

Consult your teacher and the school nurse before bringing animals to the classroom.

1. Dogs and cats must have a ***rabies certificate***.
2. Vaccination certificate must be taken to the nurse before the animal visits the classroom.
3. Animals must be on a leash.
4. Birds and other animals (not dogs or cats) must be in a cage.
5. The parent must accompany the animal to the classroom.
6. All animals must be taken home after showing. They may not spend the day in the classroom.

Please be sensitive to the children who may be afraid of animals or birds.
